List of Past Annual General Meeting Resolutions

Resolution	AGM	Statement	Result
#1	16 th AGM	To approve expenditures on astronomy related events (Example: AstroBash and AstroChallenge) where necessary.	Resolution was approved without further amendments.
#2	16 th AGM	To purchase a new mount: the HEQ5 / Orion Sirius.	Resolution was approved without further amendments.
#3	16 th AGM	To purchase new club T-shirts.	Resolution was approved without further amendments.
#4	17 th AGM	To choose between competing designs for the club astronomy T-Shirt.	Resolution was approved without further amendments.
#5	21 st AGM	Should current exco members wish to run for election, their candidacy should be made public during welcome tea. A list of these candidates should also be made public within 1 week of welcome tea. This resolution does not preclude write in nominees on the day of the AGM itself, but members must explain their reasons for not declaring their intentions in advance.	Resolution was approved without further amendments.
#6	21 st AGM	The exco shall publish a list of candidates not more than 3 days before the AGM. This list should contain the exco position preferences of each candidate. This resolution does not preclude write in nominees on the day of the AGM itself, but candidates must explain their reasons for not declaring their intentions in advance.	Resolution was approved without further amendments.
#7	24 th AGM	To authorize the 25 th Exco to spend up to S\$1950 to purchase a new mount	Resolution was approved without further amendments.
